

Index of the articles published in the journal “The Arctic: Ecology and Economy” in 2019, No. 1—4

Ecology

- Environmental Risk Assessment Method in the development of the Arctic shelf resources
Solovieva N. V., Lobkovsky L. I. No. 1
- Territorial protection of rare and endangered plant species in the Arctic zone of the Russian Federation
Prisyazhnaya A. A., Kruglova S. A., Khrisanov V. R., Snakin V. V. No. 1
- The structure of nature management in the Arctic territories of the Russian Far East
Stepanko N. G. No. 2
- Apatite mining and processing production and eutrophication of the Arctic Lake Imandra
Kashulin N. A., Bekkelund A., Dauvalter V. A., Petrova O. V. No. 3
- Experience in studying the particle size distribution of atmospheric precipitation of some settlements of the Republic of Sakha (Yakutia)
Drozd V. A., Panchenko S. V., Khoroshikh P. P., Chernishev V. V., Kholodov A. S., Chaika V. V., Tkachev V. V., Golokhvast K. S. No. 3
- Elimination of accumulated environmental damage in the Arctic: approaches and limitations for oil-contaminated sites remediation
Kulikova O. A., Mazlova E. A. No. 4
- Is it possible to restore the Arctic lake ecosystems after long-term pollution?
Moiseenko T. I., Denisov D. B. No. 4

Economics and management in the Arctic zone

- Arctic transport routes on land, in water and air areas
Gruzinov V. M., Zvorykina Yu. V., Ivanov G. V., Sychev Yu. F., Tarasova O. V., Filin B. N. No. 1
- Issues of estimating and compensating for losses to indigenous peoples in the conditions of industrial development of the Arctic
Burtseva E. I., Potravny I. M., Gassiy V. V., Sleptsov A. N., Velichenko V. V. No. 1
- Measuring the Strategy for socio-economic development of the Russian Arctic zone
Pogostinskaya N. N., Pogostinskiy Yu. A., Vlasova M. S. No. 1
- Local Labor Markets of the Russian Arctic: Classification by Activity Type
Fauzer V. V., Smirnov A. V., Lytkina T. S., Fauzer G. N. No. 2
- The role of innovation in the economic development of the Northern and Arctic regions
Druzhinin P. V., Potasheva O. V. No. 3
- The Eastern Arctic facilities accelerate the Russian Far East development
Leonov S. N., Zaostrovskikh E. A. No. 4

Research activities in the Arctic

- Biotic significant climate trends and biota dynamics of the Russian Arctic

- Tishkov A. A., Vaisfeld M. A., Glazov P. M., Morozova O. V., Puzachenko A. Yu., Tertytsky G. M., Titova S. V.* No. 1
- Earth degassing in the Arctic: remote and field studies of the Seyakha catastrophic gas blowout on the Yamal Peninsula
Bogoyavlensky V. I., Sizov O. S., Mazharov A. V., Bogoyavlensky I. V., Nikonov R. A., Kishankov A. V., Kargina T. N. No. 1
- Considering long-term climatic changes in the key zones of social and economic development of the Russian Arctic for the navigation and industrial capacity extension
Drozдов V. V. No. 2
- Earth degassing in the Arctic: remote and field studies of the thermokarst lakes gas eruption
Bogoyavlensky V. I., Bogoyavlensky I. V., Nikonov R. A., Kargina T. N., Sizov O. S. No. 2
- Identification of frontal zones position on the surface of the Barents Sea according to in situ and remote sensing data (2008—2018)
Moiseev D. V., Zaporozhtsev I. F., Maximovskaya T. M., Dukhno G. N. No. 2
- Khatanga-Lomonosov fault zone: structure, tectonic position and geodynamics
Shipilov E. V., Lobkovsky L. I., Skarubo S. I. No. 3
- The crustal structure of the White Sea and adjacent territories
Sharov N. V., Zhuravlev V. A. No. 3
- The effect of water temperature anomalies at low latitudes of the ocean on Arctic climate variations and their predictability
Alekseev G. V., Vyazilova A. E., Glok N. I., Ivanov N. E., Kharlanenkova N. E. No. 3
- Anthropogenic transformation of the Russian Arctic ecosystems: approaches, methods, assessments
Tishkov A. A., Belonovskaya E. A., Glazov P. M., Krenke A. N., Titova S. V., Tsarevskaya N. G., Shmatova A. G. No. 4
- Dynamics of nutrients in the Yenisei Gulf during the open water period
Makkaveev P. N., Polukhin A. A., Nalbandov Yu. R., Khlebopashev P. V. No. 4
- Earth Degassing in the Arctic: Comprehensive Studies of the Distribution of Frost Mounds and Thermokarst Lakes with Gas Blowout Craters on the Yamal Peninsula
Bogoyavlensky V. I., Sizov O. S., Bogoyavlensky I. V., Nikonov R. A., Kargina T. N. No. 4
- Shipbuilding for the Arctic**
- Maritime activities and the issues of life rescue in the Russian Arctic
Nikitin V. S., Polovinkin V. N., Simonov Yu. A., Valdman N. A. No. 1
- Arctic Supply Vessel Design taking into account the Cargo Flow Structure of the Transport System
Kondrateno A. A., Tarovik O. V. No. 2
- Current view on the development of emergency rescue fleet vessels in the Arctic
Ilyukhin V. N. No. 2

- Architectural and structural features of Arctic double-acting vessels
Platonov V. V., Tryaskin V. N. No. 3
- Determination of the heeling moment acting in ice compression on the ice-resistant self-propelled platform “North Pole” by the model testing method
Svistunov I. A. No. 3
- Methodological basis for determining the design ice loads on the hull of modern ice vessels in the bow and stern areas
Platonov V. V., Tryaskin V. N. No. 4
- Reverse motion of ships in ice: some research results
Dobrodeev A. A., Sazonov K. E., Sapershteyn I. A. No. 4
- Study and development of natural resources of the Arctic**
- The mineral wealth of the Circum-Arctic Belt
Volkov A. V., Galyamov A. L., Lobanov K. V. No. 1
- Geodynamic formation setting of the strategic metal deposits in the Russian Arctic zone
Volkov A. V., Galyamov A. L., Lobanov K. V. No. 2
- Depth structure and ore-forming systems of the Pechenga ore region (Russian Arctic Zone)
Lobanov K. V., Chicherov M. V., Chizhova I. A., Gornostaeva T. A., Sharov N. V. No. 3
- Mineral and raw material base of the Karelian Arctic: prospects of development and exploration
Ivashchenko V. I., Shchiptsov V. V. No. 3
- Iron-Oxide-Copper-Gold and Related Deposits: Geological and Genetic Models and Prospects for the Arctic Regions of Russia
Soloviev G. G. No. 4
- Logical and information models for forecast and rapid assessment of new gold deposits in the Arctic zone of Russia
Chizhova I. A., Lobanov K. V., Volkov A. V. No. 4
- New technologies for the Arctic**
- Small Nuclear Power Plants in the Arctic Regions: Issues of Economic Feasibility and Environmental Safety
Pimenov A. O., Kulikov D. G., Vasilyev A. P., Molokanov N. A. No. 2
- State administration in the Arctic**
- The Concept of the Arctic Center for Advanced Research and Security Support
Masloboev A. V. No. 2
- Regional problems**
- Strategy formation for reindeer farming development in the Arctic sub-region of the Russian European North-East
Ivanov V. A. No. 3
- Problems of the Northern Sea Route**
- The concept of an integrated information system for planning of fleet operation in the Arctic
Timofeev O. Ya, Tarovik O. V., Topaj A. G., Mironov E. U., Frolov S. V., Buyanov A. S., Gorbachev M. A., Bengert A. A. No. 1

Transport and logistics system of the Northern Sea Route: prospects, problems and solutions
Zelenkov M. Yu.

No. 4

Column of Editorial Board

Celebrating the 95th anniversary of Academician Ashot Sarkisov,
the Journal's Chief-Editor
